

19 March 1964

SUBJECT: Briefing of COMOR

2. That briefing would be very useful to the COMOR in the same way that it was useful to the Board. Would you be good enough to arrange for such a briefing at the next COMOR meeting on 26 March? For the convenience of the briefer, this briefing will be held at the very beginning of the meeting at 10 am.

James C. Reber
Chairman

cc: Chairman, USIE
